## Countdown to the 2010 Census: Everybody Counts!

YOU'RE INVITED!

**Join Us** on October 7th as we begin planning for the 2010 U.S. Census. As a DuPage County leader, whether in government, business, education, human services, or a faith-based organization, your leadership will help generate a more accurate Census count of DuPage County residents. At this event you will learn why the Census is important to everyone in DuPage County, and how you can help! We'll provide you with information, materials, and answers to your questions, as well as an opportunity to network with your peers.

**With your support, everyone in DuPage County will be counted this spring!**
